

DELL™ LATITUDE™ ESSENTIAL E5400 & E5500

Dell Latitude Essential laptops revolutionize business technology by helping reduce IT costs and maintaining flexibility—all at an affordable price.

INSPIRED DESIGN

The Latitude E5400 and E5500 are designed not just to survive a long day on the job, but to provide the flexibility mobile users demand. All Latitude Essential laptops deliver a seamless experience between desktop and on-the-go computing with new Latitude docks and peripherals.

STAY PRODUCTIVE LONGER

Put in a long day away from power outlets with the Latitude Essential series 9-cell battery and ControlPoint™ software. With Dell ControlPoint™ you can manage power settings to help achieve up to six hours¹ of battery life giving you the power you need to stay productive.

Go wherever your work takes you with Dell's superior Mobile Broadband² option (available on the 14" E5400 notebook), and Wireless-N antenna design which also supports Bluetooth® 2.1, and is WiMAX™ ready.

PEACE OF MIND

Mobility Services, backed by a local Dell partner, are designed to let you work without worry by minimizing downtime and protecting your data. The following services are available through your local Dell authorized partner, or through your partner direct from Dell:

Dell ProSupport Asset Protection Options: Help maximize uptime while protecting your investment with Extended Battery Service, as well as Laptop Tracking & Recovery.

Dell ProSupport Data Protection: Featuring Remote Data Delete, Hard Drive Data Recovery, and Certified Data Destruction. Dell can remotely delete sensitive data, help prevent potential loss of valuable data, certify destruction of data, and help recover data when you have a failed hard drive and no backup.

TOTAL CONTROL OF OWNERSHIP

The ultimate team player, Latitude Essential laptops can be managed virtually anywhere in the world without leaving your desk. And with image and systems management tools like Dell ImageDirect and Dell Client Manager, you can simplify systems management and free up IT to focus on more strategic business challenges.
